Park and Shelter Reservations

Our park and shelter reservation service allows families, groups and organizations to reserve park and shelters for family reunions and picnics, corporate picnics, wedding and wedding receptions, etc. The fee for shelter reservations varies with size, residency, and location. Reservations are made on a first-come Basis beginning the first business day in January of each year.

To reserve one of our **six shelters**, stop by the Village Hall, 30 South 1st Street, 8:00 a.m. to 4:30 p.m., Monday through Friday.

Lake Winneconne Park Barn

Please call: 920-582-4381 for more information and availability. Park shelters require a key. A **deposit** of \$25 (separate check) must be paid upon

key pick-up. Shelter keys can be picked up at the Village Hall before 4:30 p.m. on Friday for a weekend reservation and returned by Tuesday after the rental date.

Park forms are also available on our website: www.winneconnewi.gov.

Winneconne Parks

Winneconne is located on the shores of Lake Winneconne, Lake Poygan and the Wolf River, the Village of Winneconne boasts 72 acres of public park land from which to enjoy “History’s Crossing Place”. Our park system provides opportunity for casual picnics, family and group gatherings, as well as multiple recreational activities. Our waterfront and public docking facilities offer opportunities to enjoy the excitement of the spring Walleye and White Bass runs or summer and fall fishing. The bridge over the Wolf River is the only bridge in the Fox River Valley to offer dedicated space for fishing. While visiting the Village, stroll our quiet tree lined streets; enjoy shopping in one of our many downtown shops or dining in one of the Main Street restaurants.

For more information on Winnebago County’s only village, or for reservations for use of our park system please call 920-582-4381 or email svolkert@winneconnewi.gov.

Boat Launching & Boat Docking

Boat launching facilities and parking are available at two (2) Village locations. On the east side of the Village a launching facility is available at beautiful Lake Winneconne Park at the end of North 3rd Avenue. On the west side of the Village the launching facility is located on North 1st Street. Daily parking permits are available at self-serve stands.

North First Street

This landing is in the Village of Winneconne located on North First Street. The boat launch ramp and adjacent docks can barely handle all the fishermen during the walleye and white bass runs on the Wolf River.

Lake Winneconne Park*

More than a boat landing, this 28 acre park features a boat launch area and an island-protected channel where overnight mooring is allowed. This park is located off North Third Avenue from Main Street in the Village of Winneconne.

*Other amenities include seasonal restrooms, picnic shelters, play ground equipment, and a large parking area.

Historical Society Museum Complex

Located on the east end of Arthur Marble Park is the Village's historic complex which includes the 1871 **Winneconne Railroad Depot**, the turn of the century "Little House", an 1889 one-room school-house, the **Kay Wilde Doll Cottage** and the **Steamboat Museum**.

Steamboat Museum

Local history, rare artifacts and changing exhibits are featured in all buildings and on the museum grounds. The museum complex is open on Sunday 1:30-4:30 pm from Memorial Day through Labor Day and by special appointment.

Tours groups are welcome call **920-582-7643** or **920-582-4132**.

Please feel free to visit our website:

Waterfront Park

Located on South 1st Street, across from the Village Municipal Center is Waterfront Park. With frontage on the beautiful Wolf River it is home to our **Amphitheater**. Home to Sovereign State Days Celebration & Youth Concerts.

A 21-slip public docking facility makes this a popular family destination to enjoy a concert, or to **“launch”** a stroll along our **“New”** downtown

Main Street business, shopping and dining district. **Fishing**

Tournaments have also become very popular, among one of the largest, **Winneconne**

Chamber has hosted **In-Fisherman's Professional Walleye Trail** for 3 years.

Bridge Fishing

The Winneconne bridge is the only bridge in Wisconsin from which fishing is legal.

From spring to late fall someone is usually fishing the Winneconne bridge. Day or night it keeps downtown lively.

It has been said **“you’re not a true Wisconsin Angler unless you have dropped a line over the Winneconne Bridge.”**

Because of its popularity, two steel grids were added on the south side for fishing and safety.

Arthur Marble Park

In 1966, Winneconne native Arthur Marble bequeathed a substantial sum of money to be used for “recreation and beautification”. From this donation came the acquisition of a 43.5 acre parcel on the west edge of the village.

A centerpiece of the village, Arthur Marble Park is home to a four-acre swimming pond, three ball fields, basketball courts, volleyball courts, archery range and toddler and youth playground equipment.

4 Acre Man Made Beach

Two shelters are available to rent for private use. The channel through Marble Park is a favorite fishing location and is bounded on two sides by an improved path, which is handicap accessible and has handicap fishing spots.

Lake Winneconne Park

In the early 1940's the Children's Country Home, a non-denominational home for dependent and neglected children, sold this beautiful 28-acre waterfront to Winnebago County for use as a County Park. Through a strong community initiative the village has obtained ownership of this property and begun an aggressive improvement program. The **gazebo** on the knoll overlooking Lake Winneconne and the Wolf River and is becoming a popular **wedding site**.

Picnic shelters with seasonal restroom facilities, playground structures, ball fields, horseshoe pits and a sandy swimming beach are complimented by a boat launch and boat docking facility.

Enjoy a stroll along the southern shore or drop a fishing line in some of Wisconsin's most productive fishing waters.
